

DEPUTY UNDER SECRETARY OF STATE
FOR MANAGEMENT
WASHINGTON

Noted by DCS

December 29, 1975

Dear Bill:

75-6189

This is in response to your letter of November 20 to Secretary Kissinger, concerning the Foreign Affairs Executive Seminar.

We have reviewed the responses to Mr. Ingersoll's October 14 memorandum on the termination of the Seminar. In light of these responses and the discussions between your representatives and Mr. Sollenberger, Director of the Foreign Service Institute, we have decided to modify our position and to continue an interagency training program conducted by the Institute.

The Department has decided to limit its participation in the Seminar to providing a coordinator for the Seminar, as well as lecturers and discussion leaders. Tentatively, we have decided to omit the January session of the Seminar and to hold the next session in March.

We plan to conclude within six months a review of the continued operation of the Seminar, in consultation with your representatives. Reduced State Department participation will have to be offset by increased support by the major participating agencies. In addition, we plan administrative changes which would reduce costs by incorporating the Seminar's facilities into the main building of the Foreign Service Institute.

Mr. Sollenberger will be in touch further with your representatives concerning the details of these arrangements.

Sincerely,

Lawrence S. Eagleburger

The Honorable
William E. Colby,
Director,
